INTRODUCTION

The striking all-new V55 features a sleek and dynamic exterior profile coupled with an intelligent use of space and all the exceptional performance qualities synonymous with our V Class range. Her main deck has been purposely designed for those who enjoy true open-boating. The expansive cockpit features a large L-shaped seating area with additional seating aft around a substantial folding teak table served by a wetbar opposite with electric barbecue. This area connects to the saloon via a drop down sliding door and opening window aft of the galley, seamlessly integrating the two living areas as required. Her main deck also boasts a large sunpad located aft of the cockpit and a further foredeck seating and sunbathing area. With a top speed of 37 knots, she promises to deliver a powerful V Class sports yacht experience.

This new V Class continues to deliver throughout her lower deck with optimum use of space and multiple accommodation options. Featuring three generous guests cabins, she is class leading for a yacht of her size. Her ensuite master stateroom utilises the full beam of the yacht. Additional guests can enjoy the ensuite forward cabin which benefits from the option of scissor berths in addition to a third bunk cabin. There is also the option of a single aft cabin for crew or occasional guests.

DELIVERING AN EXCEPTIONAL EXPERIENCE

Owning a V55 isn't just about having a yacht, it's also about becoming part of an exclusive club. Belonging to the Princess family is a lifelong privilege, and our exclusive worldwide dealer network means you are never far from a friendly face.

Owning a Princess gives you unique benefits and exceptional experiences, such as Princess Lifeline, a 24/7 international SOS service providing all new owners with free access to medical and security assistance, powered by MedAire. Princess owner's can contact the Princess Lifeline when planning a trip for medical and safety recommendations or can call to receive medical and security advice and support while at sea and ashore.

Also with the V55, gone are the days of large owner manuals, and instead you can find anything you might need available on a bespoke V55 app, in a range of language options.

A familiarisation course prior to despatch means you can confidently take on the waves in your new yacht, and our calendar of exclusive Princess owner events and parties means you will always have somewhere to head for next.

From the first conversation you have with Princess to the personalised treatment with our aftersales experts, you can expect the highest quality of care and attention, coupled with our legendary dose of joie de vivre.

Princess: Experience the Exceptional.
