INTRODUCTION

There is an undeniable presence about the new S66. Her slender streamlined form somehow also exudes a predatory air. A lightweight deep-V hull delivers on this promise with breath-taking agility up to 38 knots. When at anchor, peacefulness descends onto her generously appointed deck areas, which include a spacious foredeck seating area, whilst her hydraulic bathing platform and 3.3m tender garage become the perfect base for watersports.

DELIVERING AN EXCEPTIONAL EXPERIENCE

Owning a S66 isn't just about having a yacht, it's also about becoming part of an exclusive club. Belonging to the Princess family is a lifelong privilege, and our exclusive worldwide dealer network means you are never far from a friendly face.

Owning a Princess gives you unique benefits and exceptional experiences, such as Princess Lifeline, a 24/7 international SOS service providing all new owners with free access to medical and security assistance, powered by MedAire. Princess owner's can contact the Princess Lifeline when planning a trip for medical and safety recommendations or can call to receive medical and security advice and support while at sea and ashore.

Also with the S66, gone are the days of large owner manuals, and instead you can find anything you might need available on a bespoke S66 app, in a range of language options.

A familiarisation course prior to despatch means you can confidently take on the waves in your new yacht, and our calendar of exclusive Princess owner events and parties means you will always have somewhere to head for next.

From the first conversation you have with Princess to the personalised treatment with our aftersales experts, you can expect the highest quality of care and attention, coupled with our legendary dose of joie de vivre.

Princess: Experience the Exceptional.
