2 x Volvo Diesel D6 IPS 650
 (2 x 480 HP)

Speed Max
 31 kts

Autonomy at economic
 planing speed
 200 nm @ 26,5 knots
 (*10% fuel reserve)

*10% fuel reserve, zero sea state, clean hull & drivetrain

VILLA LIVING

Increased exterior space for a better user experience

OPTIMUM DRIVE

Deliver an enhanced sports focus driving experience

STYLE & ELEGANCE

« Design to be remarkable » : powerful design profile and lines that build a strong, purposeful identity

The new Gran Turismo range has been created following these Japanese design philosophies :

Interior Kanso (simplicity) :

calm interior spaces with ambient lighting and surfaces

Exterior Yugen (gracefulness) :

The elegant low profile shape & styling allows a calm well proportioned presence on the water

VILLA LIVING

Innovative layout oriented to the sea, toy integration, beach terraces, indoor & outdoor living

OPTIMUM DRIVE

Open or protected driving area, volvo joystick driving, bespoke user interface, eco-drive equipped : exceptional range

STYLE & ELEGANCE

Colored hard top (grey), clean lines, light signatures, sport chic interior design

The new Gran Turismo 50 has been created following these Japanese design philosophies :

Interior Kanso (simplicity) :

Aft cockpit, large sunpad seating and bar sociable space designed, cabins and head with ambient lighting

Exterior Yugen (gracefulness) :

Every exterior line and form is balanced and graceful

EXTERIOR

Lower deck - Day head

Venetian blinds and opening porthole

Storage

Electric fresh water toilet

Large mirror with ambient lighting

Corian worktop with ambient lighting

Shower cubicle

Lower deck - Dimensions

Lower deck - Headroom

INNOVATIONS

- Silent boat pack
- Light and sound pack Fusion HiFi & Lumishore lights with hull « light blades »
- Alpine Version
- New retractable anchor system

« SILENT BOAT » PACK

INNOVATIONS

Space for 4 x solar panels
(TOTAL : 520 Wp)

- 1 4 x 130w solar panels on hard top (-10% efficiency) = 520 Wp
Power bank: 4x Lithium batteries (200 Ah / 24V) = 800 Ah
Inverter = 5000 KVA + 8000 KVA (24V)

SILENT BOAT

Delivers up to 5* hours of on anchor autonomy without the need to run the generator.

*Reasonable usage examples : not running air conditioning and leaving lights, TV's etc on in unoccupied spaces, closing patio doors, etc.

Light and Sound pack **LUMISHORE + FUSION**[®]

A Garmin Brand

The Lumishore lighting system, integrated through Garmin's OneHelm™, is a sophisticated marine LED lighting solution offering full customization, intuitive control, and seamless integration with existing navigation equipment.

Integration and Centralized Control

Plug-and-play connection: The Lumi-Link Command Center connects directly to Garmin's MFD via a single cable, simplifying installation and reducing clutter at the helm.

User-friendly interface: Access an intuitive control interface directly from the MFD screen, featuring a color wheel for selecting hues and sliders to adjust brightness and white balance.

Zonal lighting control: Manage lighting by specific zones on the boat, with customizable presets for different moods or activities.

Advanced Lighting Features

CRGBW multicolor lighting: Supports red, green, blue, warm white, and cool white LEDs, allowing complete ambiance customization.

Dynamic modes: Includes pre-programmed effects like strobe, color sweep, color cycle, and a unique "Sound-to-Light" mode that syncs lighting with music.

Customizable scenes: Create personalized lighting scenes for various onboard experiences, from entertaining to relaxing.

Premium Fusion Apollo Unit + 6 premium speakers + Subwoofer RGBW Indirect Lumishore lighting for hull, pilot station and cockpit Underwater lights

Alpine Version

Alpine Design & Finishes:

Blue vinyl furniture top (owner's cabin + guest cabin)
 Interior carpet Sentiment 95 in cabins
 Interior/external upholstery: Linetex Sphere Blue / Tannery Light Sugar, embroidery + Alpine logos
 Matching driver/copilot seats + Alpine Isotta
 Fanete steering wheel (Skai + Alcantara)
