

M O N T E R E Y

As we celebrate Monterey Boats' 40th anniversary, we want to take a moment to express our deepest gratitude to each of you for being a part of this incredible journey. Over the past four decades, we've been honored to share in countless milestones, innovations, and successes with you by our side. Your unwavering support, dedication, and trust have been the driving force behind everything we've accomplished.

From the launch of our very first boat to the unveiling of the Elite Series in this anniversary year, it's been an extraordinary adventure, one that would not have been possible without our valued dealer partners and loyal customers. You've helped shape Monterey Boats into the brand it is today—one built on quality, innovation, and excellence.

As we look to the future, we're more excited than ever about what's to come. Our commitment to delivering exceptional boating experiences remains stronger than ever, and we look forward to continuing this journey with you, building on the foundation of trust and success we've shared over the last 40 years.

Thank you once again for your partnership and loyalty. Here's to the next 40 years of adventures on the water together!

Warm regards,

The Monterey Team

A WORLD OF UNLIMITED POSSIBILITIES

DESIGN & INSPIRATION

Monterey's engineers work hard to make sure our boats are the leaders in innovation and design. Monterey is one of the few boating manufacturers that update their model line every year. We consistently stay ahead of the curve to bring the very best boats to you, our customers.

QUALITY & CONSTRUCTION

Monterey employs only the most talented, experienced and dedicated production personnel. Our models are not just the most innovative, most reliable and best built boats by chance. Our proven construction techniques and quality-driven processes keep us at the forefront of our competition time and time again.

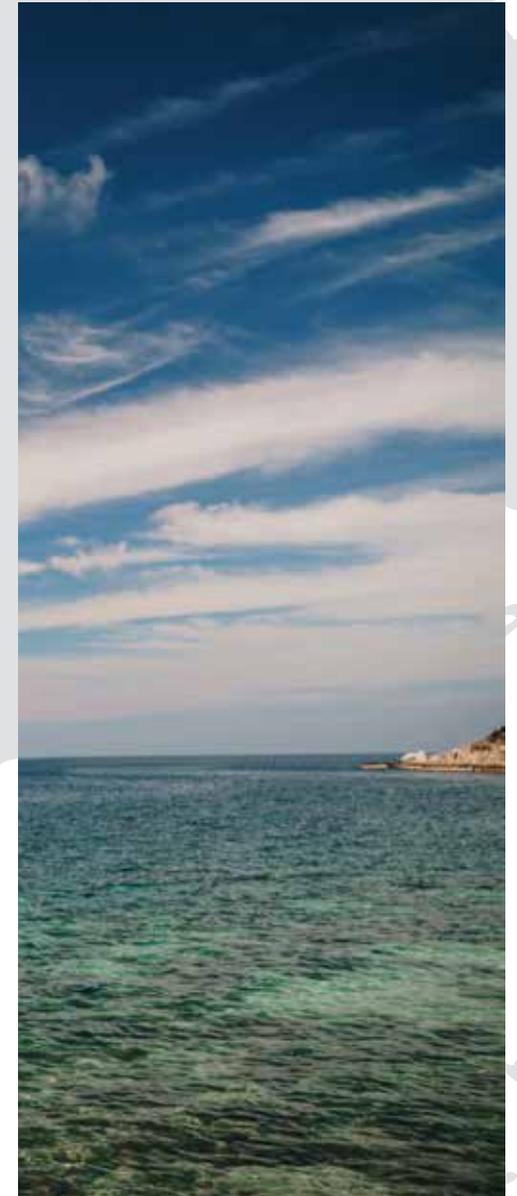

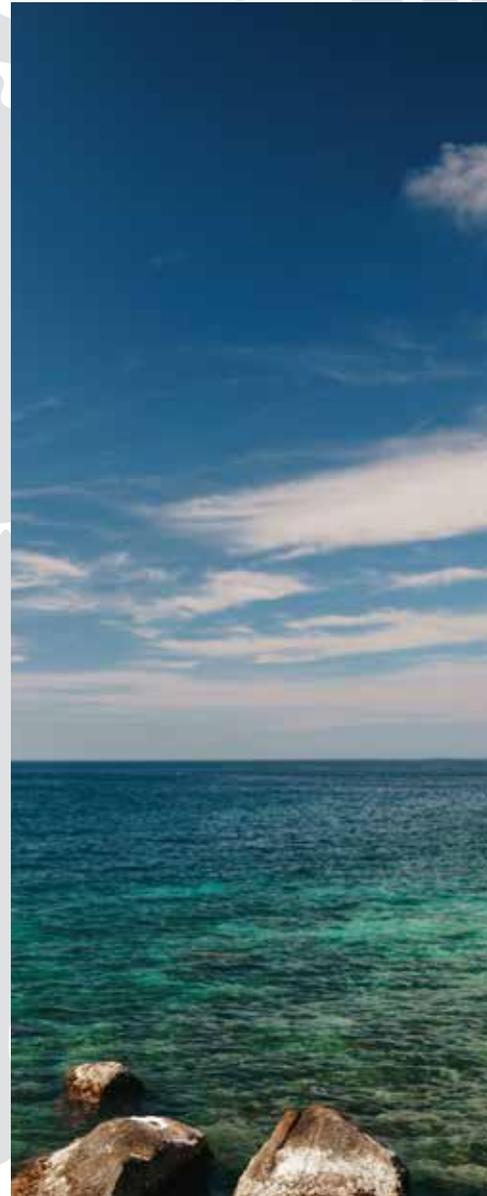

CUSTOMER SATISFACTION

Monterey Boat owners have expressed their unparalleled degree of customer satisfaction for more than 2 decades. Monterey has been recognized by the National Marine Manufacturers Association as a recipient of the prestigious Marine Industry CSI Award every year since 2002.

HOW INAPPROPRIATE TO CALL THIS PLANET EARTH WHEN CLEARLY IT IS OCEAN

- Arthur C. Clarke

AN EXPERIENCE LIKE NO OTHER

Monterey's latest innovation promises a boating adventure like no other, blending state-of-the-art technology with unparalleled comfort and elegance. The Elite Experience will feature sophisticated design, customizable options, and premium amenities, ensuring that every moment on the water is unforgettable.

SUPERIOR PERFORMANCE

Monterey's VST (Vertical Stem Technology) allows the Elite Series to cut through the water and pass easily through waves providing a clean dry ride. The 21-degree hull deadrise at the transom provides a comfortable ride without allowing it to roll excessively with shifting passengers, broad seas or crisp turns. Powered by robust engines and engineered for smooth handling, the Elite Series ensures a powerful and responsive ride.
